SKYDOME™ YOUR WINDOW TO THE GALAXY

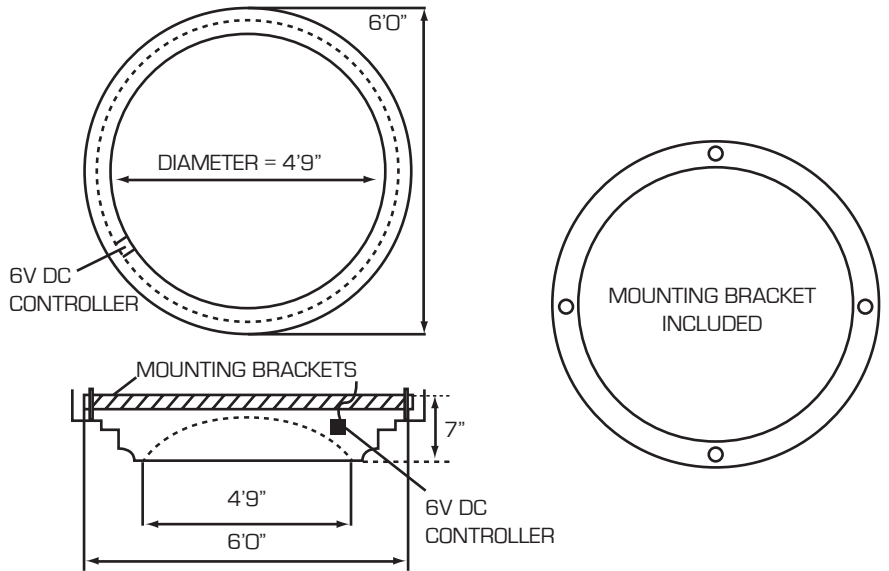

Whether you're designing a home theater or a sports room, now you can create the ultimate ceiling effect with Impact Lighting Inc's Sky Dome™. This high impact acrylic dome is your window to a beautiful starlit night sky.

Sky Dome™ is a light weight, energy efficient, requires no assembly and is simple to install. Sky Dome™ offers the advantage of using digital solid state lighting for the starlight effect. The realistic starfield is lit by LEDs or by Fiber Optics.
